

HPE Education Day at NonStop Technology & Business Conference 2025

September 15, 2025
Houston, Texas

HPE Education is proud to host NonStop Education Day on Monday, September 15th. This exclusive day of training is designed to help professionals deepen their expertise in HPE NonStop technologies through focused, hands-on learning.

Why Attend?

- **Practical Learning:** Gain real-world skills with interactive lab exercises tailored to real NonStop scenarios.
- **Extended Access:** Receive 7 days of post-training access to HPE NonStop vLabs to continue practicing what you have learned.
- **Expert Instruction:** Learn directly from instructors and NonStop experts with deep industry knowledge.

Whether you are looking to sharpen your skills, or stay current with NonStop advancements, this is your opportunity to attend this session.
